## Introduction

This booklet provides a list of AmeriHealth Rx PDP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AmeriHealth Rx PDP's formulary. If you have additional questions, please call our Member Services for AmeriHealth Rx PDP at 1-888-678-7007, seven days a week, 8 a.m. to 8 p.m. (TTY/TDD users should call 1-888-457-3002). However, please be aware that on weekends and holidays from February 15 through October 14, your call may be sent to an answering machine. Or, visit [www.amerihealthmedicare.com](http://www.amerihealthmedicare.com)

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by AmeriHealth Rx PDP. In most cases, your prescriptions are covered under AmeriHealth Rx PDP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

# Table of Contents
