----------	---

AmeriHealth Medigap Medicare Supplement Programs – Plans A, D, G, G High Deductible and N are available to individuals who enroll during their “Open Enrollment Period.” In addition, AmeriHealth Medigap Plans C and F are available to individuals who become eligible for Medicare prior to January 1, 2020. You do not need more than one Medicare supplement policy.

If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.

You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.

If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy or, if the Medicare supplement policy is no longer available, a substantially equivalent policy will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of suspension.

If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan.

If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of suspension.

Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

OPEN ENROLLMENT/GUARANTEED ISSUE PERIOD INFORMATION

If you are eligible for Open Enrollment you will not need to answer Health Questions 1-10 on pages 3 and 4 of this application.

Plans C and D are available for qualified consumers aged 50 – 64 who are eligible for Medicare by reason of disability.

Open Enrollment: You are eligible for Guaranteed Acceptance in Plan C if your Medicare Part B effective date is prior to 1/1/2020 and you apply:

(a) within six months of enrollment in Medicare Part B; or

(b) within six months beginning with the month in which a retroactive determination of eligibility for Medicare is made.

You are eligible for Guaranteed Acceptance in Plan D if:

(a) your Medicare Part B effective date is prior to 1/1/2020 and you apply within six months of enrollment in Medicare Part B and you are not covered by any other Medicare Supplement Plan; or

(b) your Medicare Part B effective date is on or after 1/1/2020 and you apply within 12 months of enrollment in Medicare Part B.

You are eligible for Guaranteed Acceptance in Plan A, D, F, G, G High Deductible and N if:

(a) you are within 6 months of purchasing Medicare Part B; or

(b) you were eligible for early Medicare and you are with 6 months of turning age 65.

If you are not within this “Open Enrollment Period,” you still may be able to obtain certain AmeriHealth Medicare Supplement Programs without a pre-existing condition limitation if you:

(a) Have Medicare Part A Hospital Insurance and Medicare Part B Medical Insurance;

(b) Reside in New Jersey served by AmeriHealth Insurance Company of New Jersey;

(c) Do NOT have health insurance coverage provided by an employer group, trust fund, or welfare fund;

(d) Apply for this Medigap coverage no later than 63 days after either the date on which you were notified that your current or previous coverage would be ending, or the date on which your current or previous coverage actually ends;

and

(e) You fall within one of the nine categories of individuals who are eligible for Guaranteed Issue under the Balanced Budget Act of 1997, describe below.

Guaranteed Issue for Eligible Persons Under the Balanced Budget Act of 1997: The federal government created the Medicare Advantage Program to increase the health care options for Medicare-eligible individuals beyond basic Medicare and Medicare health maintenance organizations (HMOs). This law requires insurance companies (including AmeriHealth Insurance Company of New Jersey) to offer you certain Medicare supplemental plans on a guaranteed issue basis; that is, they cannot refuse to cover you, when you are ending your enrollment in another plan under specific circumstances, as follows:

- (1) Your current or previous health care coverage was provided by an employer group, trust fund, or welfare fund and
 - (a) was a benefit plan that supplements Medicare that was terminated by the employer or fund, **or** the benefits plan stopped providing all supplemental Medicare benefits, **or** (b) was primary to Medicare and your coverage was terminated by either you or the employer or fund.
- (2) You are currently or were previously enrolled in a Medicare Advantage plan, Medicare SELECT plan, or you are 65 years of age or older and were enrolled in a Program of All-Inclusive Care for the Elderly (PACE), and the organization’s certification or plan was terminated or otherwise discontinued by the organization that offered it, or the organization has notified you that it will be terminating in the future, or you moved out of the plan’s service area.
- (3) You were covered under Medicare Advantage, Medicare SELECT, or other Medigap Insurance plan, or you are 65 years of age or older and were enrolled in a Program of All-Inclusive Care for the Elderly (PACE), and you left the plan because that plan is bankrupt, breached your policy, or your policy was misrepresented to you when you bought it.
- (4) You enrolled in a Medicare risk contract, health care prepayment plan, cost contract or Medicare Select plan, or similar organization, and the organization’s certification or plan is terminated or specific circumstances permit discontinuance including, but not limited to, a change in residence of the individual, the plan is terminated within a residence area, the organization substantially violated a material policy provision, or a material misrepresentation was made to the individual.
- (5) You enrolled in a Medicare Supplement policy and coverage discontinues due to insolvency or other involuntary termination of coverage under the policy, substantial violation of material policy provision, or material misrepresentation.
- (6) You canceled your AmeriHealth Medigap Medicare supplemental plan to join, for the first time, a Medicare Advantage plan, a Medicare SELECT plan, or a Program of All-Inclusive Care for the Elderly (PACE). However, now you want to end that coverage and return to AmeriHealth Medigap. You must reapply to AmeriHealth Insurance Company of New Jersey within 12 months of the date you ended your original AmeriHealth Medigap coverage, and you may apply for the AmeriHealth Medigap plan in which you were originally enrolled or a lower-cost AmeriHealth Medigap plan.
- (7) You joined a Medicare Advantage plan, a Medicare SELECT plan, or a Program of All-Inclusive Care for the Elderly (PACE) when you first became eligible for Medicare (during your “Open Enrollment Period”). However, within 12 months of joining that plan, you decide to end that coverage and enroll in an AmeriHealth Medigap

Medicare supplemental plan.

- (8) You canceled the Medicare supplemental plan you had from another insurance company to join a Medicare Advantage plan, a risk or cost contract, a Medicare SELECT plan, or a Program of All-Inclusive Care for the Elderly (PACE). However, within 12 months of joining this plan, you decide to end this coverage and return to the Medicare supplemental plan you had before. You can apply for certain AmeriHealth Medigap plans *only* if the previous Medicare supplemental plan you had from another insurance company is no longer available.
- (9) Enrolled in a Medicare Part D plan during the initial enrollment period and, at the time of enrollment in Part D, was enrolled under Medicare Supplement policy that covers outpatient prescription drugs and terminated enrollment in the Medicare Supplement policy, and submits evidence of enrollment in Medicare Part D along with the application for Plan A, C, D, F, G, High Deductible Plan G or N.

Documentation of these events must be submitted with the application. You must apply within 63 days of the date of termination of previous coverage in order to qualify as an eligible person.

E AUTHORIZATION AND CONFIRMATION

I hereby apply for the Policy coverage specified below. I understand that this application is subject to your acceptance and to the conditions and exclusions contained in the agreement. I agree to pay charges for these coverages as billed. I am covered by Medicare Part A and Part B. I acknowledge and agree that any personally identifiable health information about me ("Protected Health Information") is protected by The Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other privacy laws, and that, in accordance with those laws, AmeriHealth Insurance Company of New Jersey may use and disclose Protected Health Information for payment, treatment and health care operations as described in its Notice of Privacy Practices. I understand that a copy of AmeriHealth Insurance Company Notice of Privacy Practices is available at www.amerihealthmedicare.com. I understand that the AmeriHealth Medigap Plans policy that I am applying for has a preexisting condition provision. Under this provision, benefits related to any preexisting condition will not be provided for six months after I enroll in AmeriHealth Medigap Plans. I also understand, however, that the preexisting condition provision will not apply to these benefits if, when I enroll in AmeriHealth Medigap Plans, I have already satisfied a preexisting condition provision for the benefits under another Medicare supplement policy or the preexisting condition provision is waived because I am an "eligible person" as defined by federal and New Jersey laws and regulations.

I hereby authorize any licensed physician, medical practitioner, hospital, clinic, laboratory, pharmacy, pharmacy benefit manager or other medical facility, insurance or reinsurance company, Medical Information Bureau (MIB), consumer reporting agency, Division of Motor Vehicles, the Veterans Administration or other medical or medically related facility, insurance company or other organization, institution or person, including Medicare, that has any records or knowledge of me or my health or having any non-medical information concerning me to give AmeriHealth Insurance Company of New Jersey, or its reinsurers, any such information. I understand that I am authorizing AmeriHealth Insurance Company of New Jersey to receive my health information, prescription drug use history, and my non-medical information. I understand that prescription drug use may be used to verify the presence of certain medical conditions and that such history will not be used to decline coverage. These medical conditions will be confirmed by a telephone interview prior to being used in the underwriting process. The released information received by AmeriHealth Insurance Company of New Jersey will remain protected by federal and/or state regulations as long as it is maintained by the health plan. Medical information will not be used to decline coverage if I am applying during an Open Enrollment or Guaranteed Issue period.

If I was previously enrolled under a Medicare supplement policy with another company with a preexisting condition limitation, coverage under this policy for a preexisting condition limitation will only be excluded to the extent of the time that I did not satisfy the preexisting condition exclusion period under the previous policy and in no event shall such preexisting condition exclusion exceed six (6) consecutive months from the effective date of my coverage under this policy. "Preexisting Condition" means a disease or physical condition for which medical advice or treatment has been received by me within one hundred eighty (180) days immediately prior to my initial effective date under this agreement or any endorsement made part of this policy. I understand that I can find complete details of the program(s) in the Policy which I will receive after I return this Application Form. I understand that my signature (or the signature of the person authorized to act on behalf of the individual under the laws of the State where the individual resides) on this application means that I have read and understand the contents of this application. If signed by an authorized individual, this signature acknowledges that: 1) this person is authorized under State law to complete this application and 2) documentation of this authority is available upon request by AmeriHealth Insurance Company of New Jersey or by Medicare.

I understand that the information requested is necessary for evaluation and underwriting of my application for the Medicare Supplement insurance policy for which I have applied; to determine eligibility for insurance, risk rating or policy issue determinations; obtain reinsurance; administer claims and determine or fulfill responsibility for coverage and provision of benefits; and to conduct other legally permissible activities that relate to any coverage I have, or have applied for, with AmeriHealth Insurance Company of New Jersey. I understand that telephone interviews may be a part of the application process and that any information obtained from such telephone interviews may be used to decline my application for coverage. I understand that failure to provide the authorization to AmeriHealth Insurance Company of New Jersey will result in the rejection of the Medicare Supplement insurance policy coverage. I understand that I may revoke this authorization at any time by notifying AmeriHealth Insurance Company of New Jersey in writing at AmeriHealth Insurance

Company of New Jersey, P.O. Box 7576, Philadelphia, PA 19101-7576. I understand that such revocation will not have any effect on actions AmeriHealth Insurance Company of New Jersey took prior to its receiving the revocation notice. I understand that this authorization will be valid for twenty-four (24) months from the date signed if used in connection with an application for an insurance policy, reinstatement of an insurance policy, change in policy benefits; or for the duration of a claim if used for the purpose of collecting information with a claim for benefits under a policy. A photocopy of this authorization will be treated in the same manner as the original.

To the best of my knowledge and belief, all of the answers to the questions contained in this application are true and complete, and I understand and agree that: (a) the insurance shall not take effect unless and until the application has been accepted and approved by the Company, the full first premium has been paid, and the policy has been delivered to the applicant; and (b) oral statements between the agent and me are not binding on the Company unless accepted by the Company in writing. The undersigned applicant acknowledges that the applicant has read, or had read to him, the completed application and that he realizes that any false statements or misrepresentations therein material to the risk may result in loss of coverage under the policy to which this application is a part.

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

I acknowledge receiving: (a) an Outline of Coverage for the policy applied for, and (b) a "Guide to Health Insurance for People with Medicare."

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage and replace it with a policy to be issued by AmeriHealth Insurance Company of New Jersey. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, PRODUCER (OR OTHER REPRESENTATIVE):

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage, because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

- Additional benefits**
- No change in benefits, but lower premium**
- Fewer benefits and lower premiums**
- My plan has outpatient prescription drug coverage, and I am enrolling in Part D.**
- Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment:**

- Other. (please specify)** _____

1. Health conditions that you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all medical information on an application may provide a basis for the company to deny future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. (If the policy or certificate is in a Guaranteed Issue period, this paragraph will not apply to you.)
4. Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
